# BLU QR® UV STICK LIGHT

Keeping your HVAC coils clean from mold and mildew growth is easy with RGF's patented, high quality BLU QR® UV stick light! The BLU QR® features our exclusive quick-release lamp, which requires no tools for the lamp replacement. It comes standard with four easy-to-install mounting options right in the box, including the magnetic mount, through panel mount, bracket mount and direct mount. A 'Day Timer' is included on the BLU QR® ballast to provide visual indication of UV lamp life.

# WHY USE RGF'S BLU QR®?

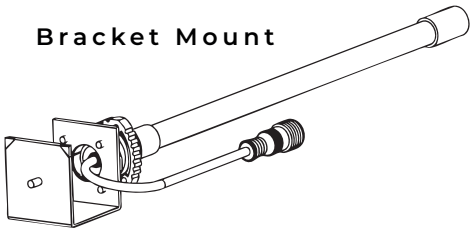

The patented BLU QR® economically provides UV light disinfection and protection to the AC coil surfaces from mold and mildew growth. This results in a cleaner and more efficient energy-saving air conditioning system. Available with 1 or 2 year lamp options. Both models come standard with RGF's Countdown Day Timer that provides visual indication when UV lamp replacement is needed.
